RE: Cancellation of the 2012 River Vaal Regatta

To whom it may concern,

On behalf of the 2012 organizing committee, I regret to inform you that the 2012 River Vaal Regatta has been cancelled.

Due to our failure to get some form of financial hand over for auditing purposes from the previous treasurer, who has since resigned, the committee does not have the financial means to organize a regatta to the high standard you would expect.

We sincerely apologize for any inconvenience but assure you of our best intentions to maintain the integrity of our Stewards and future regattas

Yours truly,

Thys Kapp
Chairman 2012
